

Effective Leadership Cohorts

Leadership Lorain County invites you to the inaugural meetings of the Effective Leadership Cohorts. These groups will meet for the first time in January of 2020 at the LLC office. Each group will set their priorities, expectations and future meeting dates at that time. Each Cohort is intended to act as a peer-to-peer support group and will feature a speaker from within the field of interest. The goal of these groups is to develop your professional skills within a collaborative, small group environment.
